ADDITIONAL NARRATIVE

AGENCY NAME LAKE STEVENS POLICE DEPARTMENT	INCIDENT CLASSIFICATION Hit & Run	INCIDENT NUMBER 13-02592
NAME OF VICTIM(S) Kirby Rhyner		

ASSIGNMENT:

On 10/16/13 at about 1316 hours, I was dispatched to a cold hit and run accident at 11406 20th St NE.

STATEMENT:**Kirby RHYNER**

Kirby stated that he parked his vehicle in the driveway on 10/14/13 and returned 10/15/13 at about 0500 to find damage to the driver side of the vehicle.

Kirby related he heard a vehicle screeching of the driveway this morning at about 0500 hours, and thinks one of the 'housemates' named Gary (later identified as Gary Davis) did it. Kirby remembered that Gary's white colored work truck had been parked next to his car the previous evening and that Gary leave early to go to work. (For additional, refer to attached written statement)

OBSERVATIONS:

It appears (based on marks in the gravel) that a vehicle had been parked next to Kirby's vehicle and had accelerated in reverse at a high rate of speed out of the driveway/parking lot and the front end/bumper of Unit #1 struck the driver side door and the driver side passenger door. There were paint flakes from Kirby's red vehicle on the ground and what appeared to be white paint transfer and black rubber transfer onto Gray's vehicle by Unit #1

EVIDENCE:

I took digital images of Kirby's vehicle, to include the acceleration marks in the driveway/parking next to his vehicle. The images were transferred to a CD and submitted into evidence as **DI-1**.

REQUEST FOLLOW-UP:

I was unable to make contact with Gary Davis during my shift and requested that Lake Stevens Police Officer Aukerman make an attempt for me during his shift. I informed Aukerman that the suspect vehicle would have been white and had been parked next to Kirby's vehicle which was still in the driveway.

On 10/17/13 I returned to work and was informed by Aukerman that he completed his follow-up and that Gary's vehicle had not been involved in the hit & run collision. Aukerman pointed out that Gary's vehicle had no matching damage and that the suspect vehicle had left single wheeled acceleration marks and Gary's vehicle was a dual wheeled vehicle.

RECOMMENDATION:

There are no witnesses in this Hit & Run. The location of this incident is the driveway/parking lot of a 'Transition/Sober House' for up to eight (8) subjects who have substances issues and/or have recently released from correctional custody. Due to the amount of occupants, to include visitors, it is not likely a suspect will be identified or will forward. Based on this information I recommend that this case be close.

DISPOSITION: Closed

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing statement is true and correct.

OFFICER NAME/NUMBER D. IRWIN #105	APPROVED BY RS/79

ADDITIONAL NARRATIVE

AGENCY NAME LAKE STEVENS POLICE DEPARTMENT	INCIDENT CLASSIFICATION HIT AND RUN COLLISION	INCIDENT NUMBER 13-02592
NAME OF VICTIM(S)		

FOLLOW UP NARRATIVE:

On the date and time of this incident I was wearing a full Lake Stevens Police Department issued duty uniform which includes shoulder department patches and a chest badge which clearly identified me as a law enforcement officer. On the date and time of this incident I was operating a marked Lake Stevens Police Department patrol vehicle. On the date and time of this incident I had legal authority to arrest. I have been a city of Lake Stevens Police Department Police Officer for over 13 years.

On 10/16/2013 at about 1800 hours (all times approximate) when I began my patrol shift (night shift) I was asked by Officer Irwin (day shift) to check the address of 11406 20th Street NE, in the city of Lake Stevens, for a suspect vehicle in a hit and run incident that had occurred at this address early today. It was said that a white work truck had struck a red in color SUV.

The suspect vehicle was described to be a large white in color work truck and having been driven by address resident Gary Davis. Officer Irwin requested I get a written statement from Davis, get the suspect vehicle information and collect pictures for evidence.

At about 2127 hours I drove past the residence and observed a large white work truck parked in the driveway with several other vehicles.

I stopped at the residence and looked at the white truck (displaying license plate #B15464E). I did not observe any red marks or signs of recent damage to the white in color work truck. The victim vehicle (a red in color SUV) was parked next to the work truck and the damage on the victim vehicle did not align with any marks on the white work truck.

I contacted Davis and the victim vehicle owner. The victim vehicle owner showed me a mark in the gravel where he claimed the suspect vehicle had spun its tires in the gravel. I noted the mark in the gravel was that of a single tire. It should be noted the rear power wheels on the work truck where dual tires; not being the vehicle which had left the marks in the gravel.

Based on my observations of the scene, Davis's vehicle and the victim vehicle, I find that Davis's vehicle is not the suspect vehicle in this hit and run incident.

END OF REPORT.
